Additional Information

***In order to receive full dealer benefits, a copy or scan of your Dealer License or Sellers Permit must be submitted. You may attach your scan to the dealer application or email it to info@revperf.com with your business name in the subject line.**

Once received and approved, you will receive an approval message with your dealer log-in and password at the e-mail address you provided. We recommend changing your password after logging into your dealer page for the first time. You can change your password under the "Settings" option.

Dealer approval is generally notified within 24-48 hours. If there is an error in the submission or approval process you will be notified via the email address provided on your application.

*** After receiving all necessary application requirements.**
